A NEW IDEA for PIANO PUPILS

All sheet music and studies given pupils free of charge.

Everything necessary goes with the lesson, without extra charge.

These all belong to the pupil, just as though he had paid extra for them.

One payment—the price of the lesson—pays for all. Never any extras.

GOOD SERVICE

Our Superior Equipment and Splendid Organization is Admitted

IN ADDITION to good service, we offer you the advice of trained men at the head of each department whose ideas about printing, binding and kindred trades have been gathered during years of service in the business.

Without this intimate knowledge of our customers' needs it would be impossible to keep up this immense establishment. If you have been overlooking this service hadn't you better stop and think about it?

It costs you no more to do business with us than with other houses in the country, quality and service taken into consideration.

No job too large for our plant, none too small to receive our careful thought and prompt attention.
